- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

Major Duties and Responsibilities (MDRs)

- NCTC/DI is seeking a proactive, energetic and creative person who is interested in driving analysis regarding terrorist tactics and technology to support policymakers and law enforcement efforts to secure the aviation and transportation sectors against terrorist threats.
- Perform in-depth analyses of terrorist threats to commercial aviation and surface transportation for senior policymakers and key components in the intelligence and law enforcement communities
- Utilize a variety of methodological tools and technical testing to gain a comprehensive understanding of significant analytic issues and incorporate insights and opportunities into intelligence products.
- Develop and produce a broad range of finished intelligence products in support of some of the highest profile US foreign policy and national security interests.
- Plan, prepare, and present written and oral briefings to senior internal and external customers on significant intelligence issues; explain complex concepts to non-expert customers and tailor the product to correspond to customer needs.
- Provide direct support to senior ODNI personnel for policy meetings and congressional briefings through talking points, prep meetings, and back benching.
- Build diverse networks and work closely with regional and technical experts within the ODNI and across the IC; maintain productive working relationships with colleagues, experts, IC members, policymakers, and law enforcement agencies as appropriate and use these relationships to share information and coordinate analytic assessments.

OFFICE OF THE DIRECTOR OF NATIONAL INTELLIGENCE
